**Don't miss the chance to enjoy !
the most legendary curry in Japan**

MAJI CURRY was an overnight success and became a legendary name after winning the 1st place in the KANDA CURRY Championship, an achievement that was attained only 7 months into the opening of the first store.

**I've always loved curry since
I was a little child.**

**Even as an adult, I still continued
to like curry. Then it came to me,
I should just open a curry shop of
my own.**

It has been 20 years since I traveled around Japan and the whole world to study variety of delicious curry by finding time in my busy schedule. I finally arrived at the perfect curry that I wanted to eat every day, by pursuing the spiciness of Indian curry and combining it with the Japanese style stew, MAJI CURRY was born.

The challenge of MAJI CURRY that started in this way did not take long until it was recognized as one of the power houses in Kanda which is one of Japan's sacred places for curry. It comes as no surprise that MAJI CURRY was crowned the 1st place in the 2018 Kanda Curry Championship Competition, only 7 months after it opened, this was the shortest in the past competition history. 40,000 people gathered in Kanda to vote on who is the best on the sacred grounds, We were able to grab 1st place out of more than 400 stores that entered the competition. MAJI loved, MAJI delicious, From the heart MAJI CURRY. Finally coming to the United States in the Summer of 2021!
